Important Information regarding
Health Insurance

We strongly recommend that you have a valid health insurance before travelling
to Germany (at least travel health insurance for the first days)!

FOR ENROLMENT
The Hochschule Worms requires a valid health insurance for enrolment:

FOR EU CITIZEN

The blue European card (legal health insurance) is acceptable for your stay at HS Worms. You have to send a copy of it together with your application documents or at the latest before your arrival to incoming@hs-worms.de. You can apply for this card in your home country.

**Necessary validity of this insurance – necessary for enrolment:**

<table>
<thead>
<tr>
<th></th>
<th>Winter semester:</th>
<th>at least until 28.02.</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Summer semester:</td>
<td>at least until 31.08.</td>
</tr>
</tbody>
</table>

The validity has nothing to do with your leaving date. The university requires from all students a valid health insurance, which covers the complete semester (see mandatory dates above).

FOR NON EU CITIZEN

You have 3 possibilities:

1) You can send a copy of your private health insurance policy in advance (under condition: coverage is minimum Euro 30,000.00 for medical treatments and validity see above). This document has to be either in German or in English language. Furthermore, your name and the duration of your stay (see mandatory dates above) need to be shown on the contract. In this case, a German legal health insurance needs to prove this policy if it covers the German requirements, if yes you get a document, which the university needs for enrolment. This check needs to be done during our Orientation.

2) You can sign up for a German legal health insurance at the latest after your arrival in Worms (costs about Euro 90.00 per month – please inform yourself about the exact current rate). This can be done during our Orientation. There will be one Health Insurance appointment during our Orientation.

In general, please note, that if you are privately insured, you always have to pay the medical bills in advance and wait then for the reimbursement of your insurance company. This is not the case, if you sign up for a legal health insurance. In this case the costs will be directly paid to the doctor/dentist/hospital by the insurance company.

3) You can sign up for any German legal health insurance before your arrival in Worms. In case of questions/problems please send an email to: incoming@hs-worms.de

In general, please note that if you are over 30 years old, that you can not sign up for a German legal health insurance. You need to sign up for a private health insurance.
