Re: Ridha Mejri

To Whom It May Concern,

This is to confirm that Ridha Mejri worked for Communicaid from 21 July-8th August 2008. Ridha delivered 90 hours of language tuition (TA) and cultural awareness training to UK civil servants. Throughout these three weeks, Ridha was known as THE TUTOR at Communicaid. Delegates enjoyed his sessions to a greater extent and he proved to have excellent skills and best suited training methodology.

I am delighted to recommend Ridha. He had an excellent rapport with delegates and members of staff. He was very enthusiastic and diligent and one of the most professional and punctual people.

I look forward to working with Ridha in the future.
