To whom it may concern,

we highly recommend Mr. Ridha Mejri as an intercultural trainer and facilitator. As an intercultural training provider, we at ICU Business Consulting GmbH, have had the pleasure of working with Mr. Mejri as an external consultant of our external freelancer network for the past year. He is a driven, organized and experienced trainer who always received an excellent feedback from the participants.

Mr. Mejri has facilitated intercultural trainings for expats and groups of executives with focus on the arab world, for example with focus on these countries: Saudi Arabia, Qatar, Tunisia and Dubai. In virtual trainings, Mr. Mejri has shown an excellent use of virtual tools and didactic methods to enhance the pedagogical development and interactivity of the trainings in the virtual environment.

In addition, Mr. Mejri has an excellent rapport with Trainingsmanagement (that is in charge of the coordination and planification of our trainings), always showing good predisposition to facilitate qualifications. Mr. Mejri has also excellent written and verbal communication skills both in English and German.

Therefore, we recommend Mr. Ridha Mejri to any interested company and are happy that he is a part of our freelancer network and we can engage in intercultural training projects together.

Sincerely,
