

**International Association of Teachers
of English as a Foreign Language in Poland**

2020 WEBINARS:

**CONTINUOUS IMPROVEMENT OF TEACHING
AND LEARNING QUALITY**

CERTIFICATE OF ATTENDANCE

This is to certify that

Ridha Mejri

took part in an IATEFL Poland webinar
held on 14th June, 2020
entitled:

**“How to make your online lessons less teacher focused
and more student focused”**

BRIEF SUMMARY:

The webinar concentrated on tools and techniques that teachers can use to give themselves space during an online lesson, offering practical examples and useful tips to highlight the ways we can make sessions more student-focused and less about the teacher.

**Teacher Trainer
Russell Stannard,**

the founder of www.teachertrainingvideos.com - a website that helps teachers to incorporate technology into their teaching and learning and to deliver online courses.

He receives over 1000 visitors a day from teachers all over the world.

He runs a YouTube channel with over 24,000 subscribers.

He is a previous winner of the British Council ELTons Technology Award.
