Internship Product Management*

SCHOTT Mainz ist the headquarters of SCHOTT AG. Most of the business units are located here. They build the center of our innovations, our high development technology, and research activities. SCHOTT Advanced Optics, with its deep technological expertise, is a valuable partner for its customers in developing products and customized solutions for applications in optics, lithography, astronomy, opto-electronics, architecture, life sciences, and research. With a product portfolio of more than 120 optical glasses, special materials and components, we master the value chain: from customized glass development to high-precision optical product finishing and metrology.

We are looking for an intern* in fulltime to support our Advanced Optics Product Management team at our site in Mainz to the earliest possible date for at least 3 to 6 months.

Your Tasks
- Conducting a market study and competitive analysis of our strategic market segments
- Preparing competitor profiling
- Developing a portfolio analysis
- Supporting the team in business planning and roadmapping initiatives as well as in project management topics
- Where appropriate, independent support of subprojects

Your Profile
- Advanced studies in Engineering, Industrial Engineering, Economics, Business Engineering or Business Administration
- Interest in B2B technical driven businesses
- Good analytical skills and ability to transform findings into presentations
- Task oriented work attitude and ability to work independently
- Fluent English skills (German skills would be an advantage)

Your Benefits
Motivated and committed employees are essential to the success of our company. At SCHOTT, you will be able to expand your skillset in a cooperative and dynamic work environment. In addition to developing your careers, we offer you a competitive total compensation package.

You can expect interesting tasks and challenging projects, as well as motivated and friendly teams in fields that influence our future. Do you want to be successful with us?
